Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for the Barhitte Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Ms. Debra McCollum for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/WiPQfu>, or you may review a copy in the main office at Barhitte.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school was identified has not been given one of these labels.

The staff at Barhitte is using a multi-tiered system of support to help identify and provide support to students who are below grade level in reading and math. We are identifying the students' needs to provide targeted instruction. The multi-tiered system of support is assisting in raising the lowest 30% proficiency levels as measured on the Michigan state assessment in grades 3rd - 5th as well as providing a firm foundation in academics for our Kindergarten through second grade students.

State law requires that we also report additional information.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Resident students attend the school which is appropriate to their grade level. The Bentley Community School district also participates in the state of Michigan's 105 and 105c Schools of Choice program, which provides students living outside district boundaries the opportunities to attend Bentley. Copies of these policies and procedures are available through our Central Administration Office.

Learning for all.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Our continuous school improvement plan focuses on strategies to improve academic performance identified regularly through data reviews on local assessments (DRA, STAR, QRI, common quarterly assessments, etc.) Our goals are tied to all subject areas assessed on the State test, district assessments and other standardized testing. The plan included strategies and activities to improve skills in the following academic areas - reading, math, writing, social studies and science. Our teaching staff meets in professional learning communities each Wednesday morning which focuses staff development on specific classroom and grade level practices. The district was fully accredited by AdvancEd.

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

The Bentley Community School District continually examines its curriculum alignment with the Michigan Department of Education model core curriculum and standards. In recent years, this examination included English Language Arts, Mathematics, Social Studies, Science, Art and Physical Education/Health. Additionally student achievement is monitored in each of the five core academic areas by local standardized tests, teacher developed tests and State standardized test results. For more information or a complete copy of the Michigan Department of Education's Model Core Curriculum, please visit this link:
